YOUR CITY. YOUR VISION. SHARE IT.

It has been nearly twenty years since the City of Westminster approved its General Plan, which is the supreme document that guides the physical development of the community. The City's existing General Plan is based on priorities that were important to the community 20 years ago. Have the priorities changed? Are they the same? We want to know: what should the community look like 20 to 30 years from now?

The City invites all residents, business owners, and community members to visit www.WestminsterGP.org to learn more about the General Plan Update process and to participate in shaping Westminster's vision for the future.

WHAT IS A GENERAL PLAN?

The general plan is the principal long-range policy and planning document guiding the physical development, conservation, and enhancement of California cities and counties. HOLIDAY FIRE SAFETY

When most people think about the holidays, family festivities and good cheer likely come to mind. What few of us consider is that the holidays also present an increased risk of home fires. Home fires during the holiday season often involve cooking, Christmas trees, candles and holiday decorations. By taking some preventive steps and following simple rules of thumb, most home fires can be prevented during the holidays and beyond.

COOKING

- Unattended cooking is the leading cause of U.S. home fires and home fire injuries, with most cooking fires involving the stovetop.
- Stay in the kitchen while you're frying, grilling or broiling food. Keep anything that can catch fire away from the stovetop, and turn it off when you leave the kitchen, even if it's for a short period of time.
- If you're simmering, boiling, baking or roasting food, check it regularly and use a timer to remind you that you're cooking.
- Create a "kid-free zone" of at least three feet around the stove and areas where hot food and drinks are prepared or carried.
- If you have a cooking fire, just get out! When you leave, close the door behind you to help contain the fire. Call 911 or the local emergency number immediately after you leave.
- If you do try to fight the fire, be sure others are getting out and that you have access to an exit.
- Keep a lid nearby when you're cooking to smother small grease fires. Slide the lid over the pan and turn off the stovetop. Leave the pan covered until it is completely cooled. For an oven fire, turn off the heat and keep the door closed.

CANDLES

- Candles are widely used in homes throughout the holidays; December is the peak month for home candle fires.
- More than half of all candle fires start because the candles had been too close to things that could catch fire.

- When burning candles, keep them at least 12" away from anything that can burn, and remember to blow them out when you leave the room or go to bed.
- Use candle holders that are sturdy, won't tip over and are placed on uncluttered surfaces. Avoid using candles in the bedroom, where more than one third of home candle fires begin, or other areas where people may fall asleep.
- Never leave a child or pet alone in a room with a burning candle.
- Consider using flameless candles, which look and smell like real candles.

CHRISTMAS TREES

- U.S. fire departments annually respond to an average of 230 home structure fires caused by Christmas trees per year. One of every three are caused by electrical problems, and one in six result from a heat source that's too close to the tree.
- If you have an artificial tree, be sure it's labeled, certified or identified by the manufacturer as fire-retardant. If you choose a fresh tree, make sure the green needles don't fall off when touched; before placing it in the stand, cut 2" from the base of the trunk. Add water to the tree stand, and be sure to water it daily.
- Make sure your tree is not blocking an exit, and is at least three feet away from any heat source, like fireplaces, space heaters, radiators, candles and heat vents or lights.
- Use lights that have the label of a recognized testing laboratory, and make sure you know whether they are designed for indoor or outdoor use. Replace any string of lights with worn or broken cords, or loose bulb connections. Read manufacturer's instructions for number of light strands to connect.
- Never use lit candles to decorate the tree.
- Always turn off Christmas tree lights before leaving the home or going to bed.
- After Christmas, get rid of the tree. Dried-out trees are a fire hazard and should not be left in the home or garage, or placed outside the home.
- Bring outdoor electrical lights inside after the holidays to prevent hazards and make them last longer.

Visit www.ocfa.org or www.nfpa.org/holiday for more information and safety tips.

At Westminister Nursery School the child is at the center of all we do. Our curriculum and activities are play based, process driven and child directed. Through open ended play, the children find purpose in their day, while developing the skills they need at a pace they delight in.

Additionally, we are a cooperative preschool, which presents parents with the opportunity for wide-ranging participation in the child's preschool experience and development. Parents help in the classroom 1-2 times each month, can participate in various aspects of the school planning and even serve on the board.

The students currently on the Westminister Youth Committee dedicate countless hours to enhancing the quality of life for Westminister's youth. The committee's purpose is to address the needs of youth through volunteering, while striving to promote a sense of civic pride. They meet monthly throughout the school year to organize and implement youth-focused programs, as well as volunteer their time to established city programs and events. The diverse backgrounds of the committee members serve to offer unique community perspectives when addressing the issues faced by local youth.

This group of motivated and passionate young citizens is committed to promoting the important role youth play in creating community.

Our confidence in the future grows as we observe our leaders of tomorrow positively interacting with the community. If you are interested in learning more about the Youth Committee, please contact the Community Services & Recreation Department at (714) 895-2860.
