Westminster Celebrates National Walk & Roll to School Day October 8, 2025

Westminster, Calif. – The City of Westminster, in collaboration with the Westminster School District and Garden Grove Unified School District, will participate in National Walk & Roll to School Day on Wednesday, October 8, 2025. Celebrated at more than 5,000 school sites nationwide, the event encourages students and families to walk or bike to school, promoting healthier lifestyles and safer streets.

“Westminster is committed to the safety of children in our community,” said Assistant City Manager Adolfo Ozaeta, Project Manager for the City’s Safe Routes to School Plan. “We have adopted Safe Routes to School Plans for every school in Westminster, and this event is a fun way to encourage families to use those resources while developing healthy habits.”

To support safe travel, the City has created maps highlighting recommended walking and biking routes to each school. These maps are available on the City and school district websites and will be distributed at local schools before the event. On October 8, City staff, school district leaders, PTSA volunteers, and Westminster Police will join students at local school campuses to cheer on walkers and bikers.

“This event not only promotes pedestrian safety and active transportation but also emphasizes the importance of children’s health and well-being,” said Westminster Police Department Deputy Chief Ron Weber.

For more information, visit walkbiketoschool.org or contact Veronica Johnson at (714) 548-3463.
